A select group of farmers in Friuli produce this small batch Pinot Grigio from their very best single vineyards. In our opinion, this region makes the richest and creamiest of all Italian white wines.

A wonderful balance of fresh crisp fruit and acidity. Light with delicate lemon, lime and kiwi on the nose; lead to fresh melon, honey and fig tones makes this ideal as an aperitif or with fish and pasta dishes.

**Ca' del Sarto wines have been created exclusively for independent restaurants and wine shops looking for an affordable, high quality alternative to the big name brands.**
