

# PERFEKT RIESLING

## **The Mosel Region**

Located in far western Germany, the Mosel valley's steep, south facing slopes create the perfect climate for Riesling, giving the vines ideal exposure to the sun. The cool climate allows the grapes to ripen slowly while retaining bright acidity.

## **The Winemakers**

Ernst Loosen is one of the world's champions of the Riesling varietal and one of the preeminent winemakers in the world. His world class reputation is recognized throughout Europe and the United States.

## **Flavor Profile**

Perfekt Riesling embodies the elegant and racy characteristics of steep, slate-soil Mosel vineyards. It is a bright, vibrant, fruit-driven wine made with grapes from contracted growers throughout the Mosel river valley.

White flowers and citrus notes are part of this wine's delicious flavors.
